SwapZone

Swapping Guidelines

Coquitlam

1. You can bring **up to 10 items** to the swap; to participate you must contribute at least one media item.
2. Participants are invited to bring movies and music of **all genres**; no X-rated or questionable media though please. We reserve the right to not accept any items we feel are unsuitable.
3. We will offer a section dedicated to **kids' and family movies and music**. When dropping off your items, please let us know if any of your items are family-friendly.
4. Please bring **original media only**. Counterfeit or pirated media items will not be accepted.
5. The items must be in **good condition**. Please do not bring any media items which skip or do not work. We will be inspecting all items that are dropped off to ensure they are original and not scratched.
6. You will be able to **take the same number of items that you bring**. If you choose to take back fewer items, the extra items will be donated. Keep in mind all swaps are final.
7. All items are considered **equal value**. For example, if you contribute 10 DVDs, you could swap them for 5 DVDs and 5 CDs.
8. If two people are interested in taking the same swap items at the same time, they must participate in a 'Rock-Off' *(Rock, Paper, Scissors game)*.
9. There will be **no money** exchanged, and no purchase of swap items. Just pure swapping.
10. You can redeem your tokens anytime between **12:00 p.m. and 6:00 p.m.**. If you have a token but don't find anything that you like when you arrive, you can come back to the Swap Zone later in the day to swap your token for new arrivals.
