#### NEIGHBOURHOOD NEWS

### Improvements Coming for Lafarge Lake Loop Trail

Construction has begun on two sections of the Lafarge Lake Loop Trail in Town Centre Park. Guided by the Town Centre Park Master Plan, a Garden Walk on the east side and an Urban Walk on the west side of the lake will be the focus of the current upgrades. Improvements include new garden beds and pathways, new seating, repaving of existing pathways and upgrades to lighting to improve accessibility and visibility of the area.

As part of the construction work, some existing trees and plants will be replaced to improve the long-term accessibility of the pathways and biodiversity of the park.
