#### WHAT'S NEW?

##### Coquitlam Puts Call Out for Sustainable Tech Ideas

Coquitlam is excited to announce a first call for tech-based environmental innovators through our membership in Project Greenlight. We are looking for solutions that can be implemented to support our new Environmental Sustainability Plan (ESP), with a focus on climate action, the built environment and green infrastructure, and water management. This initiative aims to engage our local business community in helping solve environmental sustainability challenges while providing technology partners with practical exposure and experience in the process. This project is designed to work as a technology incubator to support the local technology ecosystem and accelerate our corporate and community access to green innovation. Visit [coquitlam.ca/projectgreenlight](http://coquitlam.ca/projectgreenlight) for details on these exciting opportunities.

#### HAVE YOUR SAY

##### Provide Input on Place Maillardville Community Centre

Coquitlam is inviting the community to help establish the future programming and feel of the new Place Maillardville Community Centre (PMCC) through workshop opportunities. The City is hosting two upcoming workshops to support the future plans for the facility including:

- Ensuring the new facility is warm and welcoming and continues to be the cornerstone of the Maillardville neighbourhood.
- Ensuring the type of programming offered reflects the needs and desires of the community, including both programs that are successful at other similar City facilities, as well as programs that have previously been successful at PMCC.

Register for a virtual session on Wednesday, May 25 from 7 – 9 p.m. or join an in-person session on Saturday, May 28 from 1 – 3:30 p.m. at Dogwood Pavilion. Register for both events at [letstalkcoquitlam.ca/pmcc](http://letstalkcoquitlam.ca/pmcc).

#### LOOKING OUT FOR THE ENVIRONMENT

##### Boulevard Maintenance: Trees Tips

As spring yard work projects get underway, residents who live next to City boulevards are reminded to maintain this public space. Please note that City-maintained trees should only be pruned by City staff. Please contact the City's Urban Forestry team for questions about planting or removal of a tree on the boulevard at **604-927-3482** or [trees@coquitlam.ca](mailto:trees@coquitlam.ca). Visit [coquitlam.ca/boulevard](http://coquitlam.ca/boulevard) for details and more info.

##### Go by Bike Week rolls in May 30 – June 5

Celebrate Go By Bike Week at one of our Coquitlam-sponsored celebration stations hosted by HUB Cycling: Tuesday, May 31 from 4 – 6 p.m. at Blue Mountain Park and Wednesday, June 1 from 4 – 6 p.m. at the Lafarge-Lake Douglas SkyTrain Station. Pop by for snacks, quick bike maintenance, prize giveaways and to pick up a hard copy of the Tri-Cities Cycling Map. Our annual participation is part of our ongoing commitment to sustainable transportation. Visit [coquitlam.ca/cycling](http://coquitlam.ca/cycling) for the event details, as well as safety tips for pedestrians, cyclists and drivers who all share over 100 km of bike routes and multi-use pathways. With the right gear, cycling is possible almost year-round in Coquitlam.

#### FITNESS AND FUN

##### Adult Programs for All Interests Starting Soon

Do you have questions about using transit? Do you need support with your phone or tablet? We have just the programs for you. Register for TransLink Info and Travel Safety Tips (#85455), iPad/iPhone Basics (#80595), Healthy Eating for Seniors (#80811), Food Skills for Families (#84293) and Intro to Acrylics – Still Life (#84311). To register, visit [coquitlam.ca/registration](http://coquitlam.ca/registration) and click Register for Programs. In the registration system, search the Course ID# as the keyword to view the program. You may also register by calling **604-927-4386** or by visiting the front desk at any recreation facility.

#### KEEPING OUR COMMUNITY SAFE

##### Free FireSmart Assessment

Interested residents from Coquitlam, Port Coquitlam, Anmore and Belcarra living in the wildland-urban interface area can get a free FireSmart™ home assessment conducted by a local FireSmart representative booked before Sept. 1. Property owners are not obligated to undertake the mitigation recommendations, but financial support is available for seniors (65 and older) who would like to. Visit [northeastsector.ca](http://northeastsector.ca) for all the details and to determine if your home is in the catchment area.

### Drop-in Activities Return to the Poirier Forum

Pass, shoot, score! All ages are welcome to drop in for Family Inline Stick, Puck and Ball on Sundays until June 26 from 4:30 – 5:30 p.m. at the Poirier Forum (640 Poirier St.). Participants must have their own inline skates, CSA-approved helmet, hockey gloves, stick, and ball or puck. A full cage is required for all participants 18 years and under.

To learn more and pre-register, go to [coquitlam.ca/registration](http://coquitlam.ca/registration) and click Register for Programs. In the registration system, go to Drop-in (Pre-registered), click All Ages and open the Other Sports dropdown to view available dates and times.

Check out two other programs returning to the Poirier Forum on Sundays—Adult Ball Hockey and Adult Inline Stick, Puck and Ball. To learn more, open the online registration system and go to the Drop-in (Pre-registered) section. Click Adult and open the Ball Hockey dropdown to view available dates and times.
