## Diversity and Learning

Coquitlam recognizes that Canada Day can mean different things for different members of our community. As a result, this year's event has been adapted to provide experiences that are sensitive to the diverse range of community perspectives and opportunities to learn more about Canadian and pre-colonial Indigenous history.

## Top Five Tips

Follow these tips for a successful and fun Canada Day in Coquitlam:

### » Get here early

You'll get a great spot to watch the fireworks and you'll be able to take in all the fantastic music, entertainment, food and beverages we've pulled together for you to enjoy throughout the day.

### » Bring a chair

Give yourself the best seat in the house and bring your own chair. You can move it around the festival site to watch the music and entertainment from our different stages, and you can eat your lunch or dinner while still enjoying the music.

### » Dress for the weather

You never really know what to expect of the weather, so it's better to be prepared. Bring a jacket in case of rain, and a hat and sunscreen if the sun comes out.

### » Pack a water bottle

It's important to stay hydrated throughout the day, no matter the weather. Bring a water bottle from home to save waste and fill it up for free at our water station.

### » Go smoke-free

Coquitlam parks are a smoke-free zone—that means no cigarettes, e-cigarettes or cannabis allowed on-site.
