Notes:

- Pursuant to Section 290 of the Local Government Act [RSBC 1996] Chapter 323, the City relies on the submitted letters of assurance as certification that the work, designs and plans to which they relate comply with the current B.C.B.C.
- Applications must be made in person.
- Buildings built pre 1990 may require hazardous materials testing prior to permit issuance.
- I/We hereby make application under provisions of pertinent Bylaws for permission to install or alter plumbing in the above building and agree to conform to all the requirements of the said Bylaws and all other Statutes and Bylaws in force in the City, and to indemnify and keep harmless the City against all claims, liabilities, judgments, costs and expenses of whatever kind which, in any way, accrue against the said City in consequence of, and incidental to, the granting of this Permit if issued.
- The personal information collected on this form is collected in accordance with the Freedom of Information and protection of Privacy Act. The City has authority to collect your information for the purposes of administering the Building Permitting System in accordance with Division 9 of the Community Charter. Should you have any questions or concerns about the collection of your personal information, please call the Front Counter Supervisor at 604-927-3441. (NOTE: Business contact information is not considered personal information and will be released on request).
- Transfer of Contractor – 25% of original permit fee up to maximum of \$208.50.
