

## **Addendum No. 3**

City of Coquitlam  
RFP No. 23-085

### **Pipeline Pump Station Pre-Design**

Issue Date: October 16, 2023

Total Page Count: 1

Proponents shall note the following amendments to the RFP documents:

#### **QUESTIONS:**

Q1) In the Proposal Submission Form Section 4 ii) does the City want details about our project delivery methodology?

**A1) *“State the methodology the Proponent will utilize to deliver the Services”* means Proponents are to detail their project delivery methodology. The methodology may include the concept followed in the assignment delivery, steps of achieving the outcomes, potential resources and efforts employed, any innovation (s) in / variation(s) to regular practice, etc. The methodology may also include groups of tasks, phases, timelines (if not provided separately), and will provide a complete picture of how the Proponent intends to deliver its services and accomplish the requirements set out in the RFP.**

---

#### ***End of Addendum No. 3***

Proponents take into account the content of this Addendum in the preparation and submission of the Proposal which will form part of the Contract and should be acknowledged on the Proposal Submission Form.

Upon submitting a Proposal, Proponents are deemed to have received all addenda that are issued and posted on the City's website and considered the information for inclusion in the Proposal Submission.
