

PART 8 AGRICULTURAL AND RESOURCE ZONES

801 A-3 Agricultural and Resource

(1) Intent

This zone provides for agricultural and resource *uses* as well as limited residential *uses* on large acreage lots. Provision is made for the keeping of animals.

(2) Permitted Uses

The following *uses* and no others are permitted in this zone:

Principal *uses*:

- (a) *Agricultural*, as limited under Sub-section (3)(f);
- (b) *Resource*, as limited to Sub-section (3)(b);
- (c) *One-family residential*;
- (d) *Boarding*, as limited to Sub-section (3)(a) and (3)(e);
- (e) *Industrial*, limited to stone and concrete products, and as further limited under Sub-section (3)(g), (3)(h) and (3)(i).

Accessory uses:

- (a) Accessory office, as limited under Sub-section (3)(g);
- (b) Accessory residential, as limited in Sub-section (3)(e);
- (c) Accessory employee residential, as limited in Sub-section (3)(c) and (3)(e);
- (d) Accessory produce sales, as limited in Sub-section (3)(d).

(2) (a) Additional Permitted Uses

The following *uses* and no others are permitted in this zone:

Principal *uses*:

- (a) Industrial, limited to:
 - (i) batch plants for concrete and asphalt; and
 - (ii) manufacture of cast concrete products;and as further limited under Section (3A).

801 A-3 Agricultural and Resource

Accessory uses:

- (a) Accessory office, as limited under Section (3A);
- (b) Accessory washing, servicing and repair of motor vehicles associated with the business conducting a permitted industrial use as limited by Section (2A)(a), at the locations specified in Section (3A);
- (c) Accessory retail, limited to the retail sale of asphalt and concrete or related products, as limited under Section (3A).

(3) Conditions of Use

- (a) A *boarding use* is not permitted except in conjunction with a *one-family residential use* and must not accommodate more than four boarders.
- (b) A *resource use* involving the storage of motor vehicles and equipment is permitted only on a *lot*:
 - (i) occupied by a *resource use*;
 - (ii) abutting a *lot* occupied by a *resource use*; or
 - (iii) formerly occupied by a *resource use*.
- (c) No more than one *dwelling unit* for *accessory caretaker use* is permitted per *lot*.
- (d) The *floor area* used for *accessory produce sales use* must not exceed 12 m².
- (e) The following *uses* are not permitted on a *lot* having an area less than 8.1 hectares:
 - (i) *boarding*;
 - (ii) *accessory residential*;
 - (iii) *accessory caretaker*.
- (f) An *agricultural use* does not include *medical cannabis grow operation*.
- (g) *Industrial*, limited to stone and concrete products and *accessory office* permitted only at the following location:

Parcel Identifier No.	Address
027-997-910	1875 Pipeline Road

- (h) All stationary equipment associated with a permitted *industrial use* must be enclosed within a *building* except for stone splitting and material heating equipment;
- (i) An *industrial use* is only permitted if there is a *Resource Use* on the same *lot*.

801 A-3 Agricultural and Resource

(3A) Additional Conditions of Use

- (a) *Industrial*, limited to batch plants for concrete and asphalt, and manufacture of cast concrete products, *accessory office* and *accessory retail* are permitted only at the following locations:

Parcel Identifier No.	Address
009-238-239	1530 Pipeline Road
001-486-233	1536 Pipeline Road
002-629-861	1700 Pipeline Road
008-385-882	1739 Pipeline Road
002-160-960	1750 Pipeline Road
002-151-995	1760 Pipeline Road

- (b) Conditions of Use in Section 3 applicable to *industrial use* do not apply to the locations listed in this Section (3A).

(4) Lot Size

- (a) The minimum *lot* size is 8.1 hectares.
- (b) Notwithstanding (a), the minimum *lot size* for an *industrial use*, as limited by Section (2A) at the locations specified in Section (3A), is 2,000 m².
- (c) Notwithstanding (a), the minimum *lot size* is not applicable for a *Public service use*.

(5) Density

Not applicable in this zone.

(6) Lot Coverage

- (a) All *buildings* and *structures* together must not exceed a *lot coverage* of 30%.
- (b) In addition to (a), *buildings* and *structures* for the specific *uses* set out below must not exceed the corresponding *lot coverages* set out below:

<u>Use</u>	<u>Maximum Lot Coverage</u>
<i>Agricultural</i>	20%
<i>Resource</i>	20%
<i>One-Family Residential</i>	10%
<i>Accessory Residential</i>	10%
<i>Accessory caretaker</i>	10%

801 A-3 Agricultural and Resource

(7) Buildings Per Lot

For each of the *uses* set out below, no more than one *building* or *structure* for that *use* is permitted per *lot*:

- (a) *One-family residential*
- (b) *Accessory caretaker*
- (c) *Accessory produce sales*

(8) Setbacks

(a) *Buildings* and *structures* for the following *uses* must be sited no closer than the corresponding setbacks from *lot* lines, bodies of water and other *uses* as set out below:

<i>Use</i>	<i>Front Lot Line (metres)</i>	<i>Rear Lot Line (metres)</i>	<i>Interior Side Lot Line (metres)</i>	<i>Exterior Side Lot Line (metres)</i>	<i>Wells or Streams (metres)</i>	<i>One-Family Residential or Accessory Caretaker Buildings (metres)</i>
<i>Agricultural</i>	30	15	15	30	30	15
<i>Resource</i>	30	15	15	30	30	15
<i>Agricultural, involving mushroom growing or the keeping of swine, poultry or fur-bearing animals</i>	60	30	30	60	30	30
<i>One-Family Residential</i>	7.6	7.6	1.8	3.9		
<i>Industrial</i>	7.6			7.6		
<i>Accessory caretaker, accessory residential, accessory produce sales</i>	7.6	7.6	1.5	3.0		3.0

801 A-3 Agricultural and Resource

(b) The above setbacks are subject to increase under section 518, 519 and 523 of this Bylaw.

(9) Location of Uses

Not applicable in this zone.

(10) Height

Buildings and structures for the uses set out below must not exceed the heights set out below:

<u><i>Use</i></u>	<u><i>Maximum Height (metres)</i></u>
<i>One-Family Residential</i>	11
<i>Accessory Residential</i>	11
<i>Accessory Caretaker</i>	11
<i>Accessory Produce Sales</i>	11

(11) Building Size

Not applicable in this zone.

(12) Off-Street Parking and Loading

The regulations under Part 7 apply.

(13) Other Regulations

The regulations under Part 2, Part 3, Part 4, Part 5 and Part 6 apply.
