## 1 INTRODUCTION

### 1.1 Acknowledgement

The City acknowledges with gratitude and respect that the name Coquitlam was derived from the hə́hǵəmiḥə́ word kʷikʷə́lə̣m (kwee-kwuh-tlum) meaning “Red Fish Up the River” and is located on the kʷikʷə́lə̣m (Kwikwetlem) traditional and ancestral lands, including those parts that were historically shared with the sǵə́ciyaʔ təməxʷ (Katzie), and other Coast Salish Peoples.

### 1.2 Purpose

The purpose of this RFP is to select professional, qualified and experienced firms to provide consulting services related to **Archaeology for Burke Mountain** for City projects.

### 1.3 Introduction

The City of Coquitlam seeks to better understand the historic use of two watersheds on Burke Mountain and plans to apply for a multi-assessment permit under the Heritage Conservation Act to inform planning for City projects. Multi-Assessment Permits (MAPs) authorize multiple individual assessments within a specific geographic region, subject to First Nations having an adequate opportunity to comment on the initial application scope and methods and each proposed assessment within their territory.

This RFP is intended to invite qualified Consultants who are interested in, and who have the expertise, experience, resources and knowledge to perform the Services.

### 1.4 Instructions for Participation

Proponents are advised that the rules for participation that will apply to this RFP are posted on the City's website: [Instructions to Proponents](#)

By submission of a Proposal, the Proponent agrees and accepts the rules by which the bid process will be conducted.

The City will not be responsible for any delay or for any submission not received for any reason, including technological delays or issues by either party's network or email program, and the City will not be liable for any damages associated with submissions not received.

### 1.5 Sub-Consultants

The use of sub-Consultants is acceptable providing they are fully identified in the Proposal and understand the conditions of this document will apply to all Consultants named. Joint submissions must identify a prime Proponent who assumes responsibility for the Proposal as well as for the professional standards, actions and performance for all Proponents, if awarded the work.

### 1.6 Requested Departures

The Proponent acknowledges that the departures requested in the Proposal Submission Form will not form part of the Contract unless and until the City specifically consents in

writing to any of them. The City may not consider any departures not stated in the Proponent's Proposal Submission

#### 1.7 Evaluation Criteria

Proposals will be evaluated to determine the Proposal that is most advantageous to the City, using the following criteria. This list is not intended to be exhaustive and is not ranked in order of preference or priority.

Evaluation Criteria of each proposal will be determined in accordance with the following:

Proposal Evaluation Summary	Maximum Points to be Awarded
<a href="#">Corporate</a>	20
<a href="#">Sustainable Benefits and Social Responsibility</a>	20
<a href="#">Technical</a>	40
<a href="#">Financial</a>	20
<b>Total</b>	<b>100</b>

The criteria for evaluation of the Proposals may include, but is not limited to:

##### **Corporate**

- Project Understanding - Comprehensive understanding of the project objectives, outcomes and vision; major issues and opportunities presented in the Proposal;
- Project Team - description and role of Consultant team members and any sub-Consultants; Experience and Qualifications of team members;
- Corporate Experience and References - provide examples of similar successful projects, project dates, client names and contact information, description of team members role in each project;
- Value Added Benefits to the City - Describe your competitive advantage, value added services and benefits that would be provided to the City.

##### **Reconciliation, Sustainability and Social Responsibility**

- Reconciliation Considerations
- Sustainability Considerations
- Social Responsibility

##### **Technical**

- Proposed methodology, work plan and approach, including breakdown of tasks necessary to complete the project;
- Availability and time schedule;

### **Financial and Value Added Benefits**

- Price Schedule - Fee matrix with hourly rates and charges by level of effort (hours) associated to task and total lump sum fee including disbursements (exclude GST);

The City reserves the right to check references on other projects even if they are not specifically listed. Information obtained from references will be confidential and will not be disclosed to any Proponents.

The evaluation team will review the Proposals and rank them based on the evaluation criteria outlined above. The City intends to engage with kʷikwə́łəm First Nation staff in the evaluation of the submissions. The City reserves the right to consider other criteria that may become evident during the evaluation process to obtain best value. Proposals will be evaluated in comparison to others.

The Evaluation Committee may, at its discretion, request clarifications or additional information from a Proponent with respect to any Proposal, and the Evaluation Committee may make such requests to only selected Proponents. The Evaluation Committee may consider such clarifications or additional information in evaluating a Proposal. The City may at its discretion, interview one or more Proponents or request demonstrations, clarifications or additional information from a Proponent with respect to any Proposal. The City may use that information to score the evaluation.

The City reserves the right to waive formalities in, accept or reject any or all Proposals, cancel this RFP, or accept the Proposal deemed most favourable in the interest of the City.

The evaluation will be confidential and no prices or scores will be released to any of the Proponents.

By submission of a Proposal, Proponents agree the City may disclose the name of the Proponent and value of the awarded Contract.

Where only one Proposal is received, the City may reject such and re-issue the RFP on a selected basis.

### **1.8 Eligibility**

For eligibility, and as a condition of award, the successful Proponent would be required to meet or provide the equivalent:

- a) Commercial General Liability (CGL) insurance \$2M coverage provided on the [City's Insurance Form - Consultant](#)
- b) Enter into Contract with the Cities as provided in [Appendix A – Consulting and Professional Services Agreement](#), the City's Consulting and Professional Services Agreement.
- c) A City of Coquitlam or Tri Cities Intermunicipal [Business License](#)

**These items are not required as part of this Proposal Submission but will be required prior to entering into an agreement with the City for Services.**

## **2 GENERAL CONDITIONS**

### **2.1 Terms and Conditions**

The City's [Standard Terms and Conditions - Consulting and Professional Services](#), the Conditions listed in this RFP, along with the accepted Proposal, addenda and any subsequent clarifications, correspondence, the totality of which will constitute the Contract.

## **PROJECT SPECIFIC CONDITIONS**

### **2.2 Intellectual Property Rights**

The Contract establishes the City as the owner of the “Instruments of Service” in connection with this Project specifically the immediate plans, data sets, models, graphics, spreadsheets, etc. and other materials requested and provided as defined as deliverables under this RFP.

### **3 SCOPE OF SERVICES**

#### **3.1 Background**

As identified in Metro Vancouver’s Regional Growth Strategy, the Burke Mountain community is intended to significantly develop over the next 10-20 years. The City is committed to the long-term plan for the area and is actively developing its roadways, parks, and services to meet the demands of an increasing population. The Parks, Recreation, Culture, and Facilities (PRCF) Department of the City is leading the work on an upcoming Community Centre and several parks in this area. The scope of this project aims to further the understanding of those involved in planning, designing, and constructing future amenities, highlighting the importance of these specific parcels of land within an already known significant regional context.

Figure 1 illustrates the larger context of these upcoming public amenities and how they are located within the catchment area of Hyde Watershed and Partington Watershed. Watershed based planning is intended to inform decision making on the long term development of park and community facilities on Burke Mountain from both an environmental and archaeological perspective. This Work will be guided by the recommendations of an Archaeological Overview Assessment (AOA) under development through another process and in collaboration with kwikwəłəm First Nation.

#### **3.2 Scope of Work**

The City is seeking an Archaeological Consultant to assist with watershed based planning for archaeological assessments within the Hyde and Partington Watershed areas on Burke Mountain. The successful Proponent (the “Consultant”) will lead all work required for undertaking archaeological impact assessments and to evaluate areas of defined existing and potential archaeological resources as guided by the Project AOA, as well as securing a multi-assessment permit under the Heritage Conservation Act for the project area.

The goal is to limit the permit area to natural and physical boundaries of Hyde and Partington watersheds. The archaeological investigations will take place at multiple park sites, village development area and one engineering detention pond within this area.

The Services shall include, but will not be limited to:

##### **a) Project Management**

- Liaise with and provide ongoing advice to the City.
- Meeting coordination as required by City including material (i.e. agendas and minutes).

##### **b) Provincial HCA Permitting**

- Submit applications for Heritage Inspection Permits.
- Submit for required First Nation Permits.

##### **c) Archaeological Impact Assessment (AIA) – Fieldwork and Reporting**

- Conduct AIA fieldwork as required.

- Write draft AIA report following Archaeology Branch standards and submit to First Nations and City for review and comment.
- Write a final AIA report and submit to First Nations and City for review and comment and the Archaeology Branch.
- (If required) Prepare Site Inventory Forms to the Archaeology Branch, Site Inventory Section and collected artifacts to the approved repository.

**d) Heritage Conservation Act Transformation Project**

The Province aims to make changes to the HCA and support programs and policies within their current mandate. The current phase of the Transformation Project focuses on developing proposed changes to legislation, policy, and practice, including through legislative drafting. It is the responsibility of the professional and qualified Consultant to comply with any new applicable legislation requirements. The Consultant needs to be knowledgeable of any potential upcoming changes and consider them in their proposal.

Sites illustrated in Figure 2 are included in the Scope:

- Baycrest Park (future park site)
- Burke Village Park (future park site)
- Burke Village (future village development – not park)
- Dollar Crescent Park (future park site including engineering detention pond)
- Freemont Park (future park site north and south of Victoria Drive)
- Northeast Community Centre (future building site in Burke Village Park)
- Pinecone Burke Trailhead (future park/trail site)

**3.3 First Nations Involvement**

Kw̓ikwə́łəm First Nation and the City are actively engaging on this work. Success of the work will be determined by advancing relations between the City and Kw̓ikwə́łəm First Nation and achieve broader goals related to environmental protection and cultural recognition that both parties share. The successful proponents will work with City staff to support the continued delivery, facilitation of and participation in ongoing engagement and ensure that Kw̓ikwə́łəm First Nation is satisfied with the work completed.

**3.4 Deliverables**

- Draft AIA Report
- Finalized AIA Report
- Any other requirements of Multi-Assessment Permit as per HCA

**3.5 Regulatory and Compliance Requirements**

Contractor is to comply with the latest legislations, including all provincial and other amendments, and local by-laws. When multiple codes and/or regulations apply, follow the most stringent provision:

- Worker's Compensation Act;
- BC's Personal Information Protection Act, SBC 2003 c. 36

- Federal Personal Information Protection and Electronic Documents Act, SC 2000 c 5
- Freedom of Information and Protection of Privacy Act, RSBC 1996, c 165 (FIPPA)
- Heritage Conservation Act

### 3.6 Schedule

The Consultant is responsible for their availability and ability to meet time schedule and Completion Date as stated below:

Target Date	Milestone
March 2024	Contract Award
March 2024	Project Start Up Meeting
April 2024	Submit MAP Application to Province
April 2024	Observe geotechnical investigations at Northeast Community Centre and Burke Village Park sites
May 2025	Undertake Archaeological investigations for Northeast Community Centre, Burke Village Park, Freemont Park, and Dollar Crescent Park.
June 2025	Undertake Archaeological investigations for Baycrest Park and Pinecone Burke Trailhead

### 3.7 Documents

The Consultant will provide original documents and transfer final digital files to the City. The Format of the digital files will be compatible with the City's versions of MS Suite and PDF's. Digital file transfer is to be electronically through the City's file transfer portal and email to City staff.

### 3.8 Project Organization and Management

The Consultant will work with staff from the City, including regular in-person and/or virtual update meetings. It is intended that the Consultant will work collaboratively with the Project Lead and other City staff, as required, throughout the process.

The Consultant will be responsible for recording all meeting minutes, including significant proceedings and decisions, identifying 'action by' parties, and will reproduce and distribute copies of minutes within two (2) working days after each meeting. The Consultant will transmit the meeting minutes to meeting participants including those who were not in attendance.

The Consultant will lead and otherwise be responsible for all elements of the Services, including reporting at key milestones, timely communications with the City's Project Lead on emerging project issues, and maintaining complete documentation (i.e. minutes, presentations) from internal and external meetings.

The Consultant lead must receive written approval from the Project Lead for any task or personnel reassignments on the Consultant team.

### 3.9 Fee Schedule and Cost of Services

- a) Proponents to submit with their Proposal, a **Schedule of Effort and Fees**, for all of the Services outlining level of effort by each team member, including hourly rates and total lump sum pricing. The hourly rates will be used to value additional services if required. The fee schedule should show the maximum upset limits that the Consulting Team will not exceed unless the City's Project Manager requests additional services which are beyond the Scope of Services as outlined in this RFP.
- b) The Proponent shall include in the fee schedule all sub Consultant fees and all Consulting Team disbursements.
- c) The Proponent shall indicate any additional 'Optional Services' or costs not accounted for in the fee schedule as part of the proposal submission.
- d) The successful Consultant will not be able to claim any additional cost as a result of changes to the Schedule or order of works. This condition shall be in effect for the duration of the project.

The Consulting Services Price Total will form the budget for the full scope of the Services, including all details and deliverables specified in this RFP.

The Price total includes business administration services, disbursements, costs, charges, expenses, of any sort (excluding GST) for the Consultant to complete the Project to the City's standards in accordance with the work schedule provided in this RFP.

### 3.10 Reference Materials

Proponents should identify any relevant documents or data that would contribute to achieving the objectives. If such data requires any original research, the Proponent should identify any costs as a separate item for consideration by the City.

Information that will be made available to the Consultant includes:

- GIS data
- Potential development scope where available

The Consultant will work with the City to gather any additional information required to complete the Services.
