**Re: Structural Framing at New Roof Top Units
 Evergreen Cultural Centre**

WHM # 23138

Please accept this letter as a confirmation that the existing structural framing at Evergreen Cultural Centre, located at 1205 Pinetree Way, Coquitlam, BC, was reviewed to accommodate the replacement roof top units per mechanical drawings dated February 18, 2024. No additional framing upgrades are required.

Should additional framing be required for curb extensions, duct openings, etc., Wicke Herfst Maver Consulting Inc. (WHM) can provide the detail and coordinate with the contractor during construction.

We hope this letter meets your requirements at this time. If you have any questions, please do not hesitate to contact us.
