| Kandovan Construction Ltd | Division 2 Contracting |
| Clearview Demolition Ltd | Matcon Demolition Ltd |
| Ghotra Excavating & Trucking Ltd | QM Environmental |
| Pangu Enterprise Incorporated | Kinetic Environmental Ltd |

Proponents shall note the following amendments to the RFP documents:

QUESTIONS AND CLARIFICATIONS

Q1. We would like to request a 2-week extension for this project, as many of our vendors are at a limited capacity due to the holidays and can not get pricing in time for the current closing date.

A1. At this time the City will not be extending the deadline.

Q2. The RFP document states that an Asbestos Abatement License is a mandatory requirement. Demolition contractors don't typically carry this designation or perform hazardous materials abatement. Please advise if using a licensed hazardous materials abatement subcontractor is acceptable.

A2. The City's preference is for the demolition Contractor to carry the abatement license.

Q3. Several of our hazardous materials abatement subcontractors are requesting a second site visit. Please advise if a second site visit can be scheduled.

A3. At this time the City will not be offering a second site visit.

End of Addendum No. 2

Proponents take into account the content of this Addendum in the preparation and submission of the Proposal which will form part of the Contract and should be acknowledged on the Proposal Submission Form.

Upon submitting a Proposal, Proponents are deemed to have received all addenda that are issued and posted on the City's website and considered the information for inclusion in the Proposal submission.
