

Addendum No. 4

City of Coquitlam

RFP No. 25-027

Snow Removal Service

Issue Date: November 5, 2025

Total Page Count: 1

Proponents shall note the following amendments to the RFP documents:

QUESTIONS

- Q1. Is there a minimum depth requirement for snow removal? (ex. Any snow fall under 2" does not require removal)
- A1. Snow removal is required whenever accumulation results in unsafe or impassable conditions. The Contractor is expected to monitor site conditions and initiate snow and ice control as needed to maintain safe access and usability. There is no fixed minimum depth threshold; however, in accordance with the City's bylaws, snow must be removed within 10 hours of accumulation.**
- Q2. Could you please confirm if the Discovery Centre site Maintenance (3537 Princeton Ave.) includes the parking lot on site and sidewalk around the building or just the sidewalk along the boulevard?
- A2. Yes, the RFP includes the parking lot, walking paths around the building, staircases, ramps, and patio.**

End of Addendum No. 4

Proponents take into account the content of this Addendum in the preparation and submission of the Proposal which will form part of the Contract and should be acknowledged on the Proposal Submission Form.

Upon submitting a Proposal, Proponents are deemed to have received all addenda that are issued and posted on the City's website and considered the information for inclusion in the Proposal Submission.
