## 1 INSTRUCTIONS TO PROPONENTS

### 1.1 Purpose

The City of Coquitlam (“City”) requests Proposals from qualified, experienced companies to provide **Demolition and Hazardous Materials Abatement Services at 1371 Gilley’s Trail**. (the ‘Services’) as outlined in **Section 3 – Scope of Services**.

### 1.2 Proposal Submission

Proponents should complete and submit the information requested in this RFP document on the Proposal Submission Form or in a format that has been approved and is acceptable to the City.

### 1.3 Site Visit

Proponents are encouraged to visit the site on their own.

**Address:** 1371 Gilley’s Trail, Coquitlam, BC

### 1.4 Project Timeline

Estimated timeline for the project is:

**Final Completion: March 31, 2021**

Upon award, the Work on this project shall progress until fully completed.

### 1.5 Award to Multiple Proponents

The City reserves the right to split the award to multiple Proponents or award all of the Work to one Proponent.

### 1.6 Instructions to Proponents

Proponents are advised that the rules for participation that will apply to this RFP are located: [Instructions to Proponents](#).

By submission of a Proposal, the Proponent agrees and accepts the rules by which the RFP and selection process will be conducted.

- a) Proponents are responsible to inspect the existing site(s) and shall fully understand the difficulties and restrictions for execution of the work under this Contract. Interpretations by the Proponent of the meaning of any section of the Contract drawings and specifications herein prior to submitting a price for the Work shall not remove the responsibility of completing the Work as per the directions of the City, including all costs associated with that Work, should the Proponent’s interpretation be incorrect.
- b) Prior to submitting a price for the Work, the Proponent must seek clarification from the City for any items within the drawings and specifications that may appear to be unclear or conflicting.
- c) Prior to bidding, Proponents should visit, inspect, and familiarize themselves with the site(s) and of everything and of every condition potentially affecting the works to be executed, so that the execution of the Contract by the successful Proponent is founded and based upon the Proponent's own examination, information, and judgment. Failure to visit the site(s) prior to the Proposal Closing Date will in no way relieve the successful

Proponent from the necessity of furnishing any material or performing any work that may be required to complete the work in accordance with the conditions and specifications without additional cost to the City.

- d) It shall be the responsibility of the Proponent, by personal inspection of the site(s) of the works, examination of the contract documents, calculations, tests, and by requesting any required clarifications from the City, to become satisfied with respect to the quantities, quality, and practicability of the work. The Proponent must be aware that any information from the City was and is approximate and speculative only and cannot in any manner be warranted or guaranteed. If the Proponent fails to make a proper investigation and examination of the site(s) and the work, they shall signify by entering into the contract that they are willing to assume all risk of the work proving more onerous than was contemplated and/or assumed when the Contract was signed.

A complete set of RFP and Contract documents will include:

- i. Request for Proposals Documents
  - ii. Proposal Submission Form
  - iii. Appendix A - Hazardous Material Report
  - iv. Appendix B – Site Photographs
  - v. Appendix C – Site Survey
  - vi. Appendix D – Environmental Conditions Letter
  - vii. Appendix E – Temporary Fence
- e) Figure dimensions of a drawing shall take precedence over measurements scaled from the drawing and large-scale drawings take precedence over those of a smaller scale. Supplementary drawings and specifications supersede their antecedents. Addenda drawings take precedent over all drawings. Addenda specifications take precedent over all specifications. In case of conflict between figured dimensions on a drawing and the dimensions of a specified product, the dimensions of the specified product will govern. The drawings and specifications complement each other and anything called for by one will be as binding as if called for by both.
- f) All information requested for the Proposal is to be completed by the Proponent on the supplied forms only and shall be based upon the whole of the specifications and Contract documents, without reservation. A Proposal that does not include all of the above sections, completed as specified herein, may be rejected.
- g) The selected Proposal shall supply all materials, equipment, installation, commissioning, and deconstruction necessary for the successful starting and completion of the project in accordance with the drawings and specifications herein. It shall be the responsibility of the Proponent to include in the submitted Proposal amount sufficient amounts to cover the cost of the work and materials required to complete the Work but not specifically noted in the drawings and/or specifications. It is assumed that all taxes, duties and levies have been included in the Proposal amount.
- h) Complete sub-contracting of works will not be approved; however, segments of work involving special skills may be sub-contracted.

- i) The Proponent must indicate the names of the Proponent’s senior staff for the project, specifically identifying the project superintendent, and the names of the major sub-Contractors and the work they will be performing.
- j) The Proponent must carefully examine the Proposal Documents and worksite(s). The Proponent may not claim, after the submission of a Proposal, that there was any misunderstanding with respect to the requirements and conditions imposed by the City of Coquitlam.
- k) There will be no opportunity to make any additional claim for compensation or invoice for additional charges that were not considered and included in the Proposal price submitted, unless the City, at its sole discretion, deems that it would be unreasonable to do so, or there are additional work requirements due to unforeseen circumstances.
- l) All information in this RFP Document, Drawings, Specifications, Site Visit and Investigation, and any resulting Addenda will be incorporated into any Contract between the City and the successful Proponent, and therefore must be considered by the Proponent in preparing their Proposal.

1.7 Prices

Prices shall be all-inclusive and stated in (Canadian Funds). Prices shall remain FIRM for the completion of the Services.

Prices shall include the provision of all tools, materials, equipment, labour, transportation, fuel, supervision, management, overhead, materials, traffic control, services, all necessary packing and crating (where applicable), Canadian Customs import and export duties, freight, handling, transportation, insurance, all other associated or related charges, foreign, federal, provincial and municipal taxes, bonding costs, all licences, permits, inspections and all other requirements necessary for the commencement, performance and completion of Services as described.

Taxes are to be shown separately at time of invoicing.

The lowest price of any Proposal will not necessarily be accepted but will be analyzed to determine best overall value.

1.8 Requested Departures

The Proponent acknowledges that the departures requested in the Proposal Submission Form will not form part of the Contract unless and until the City specifically consents in writing to any of them. The City will evaluate those departures as per Evaluation Criteria.

1.9 Evaluation Criteria

Evaluation Criteria of each Proposal will be determined in accordance with the following:

Proposal Evaluation Summary	Maximum Points to be Awarded
Corporate Experience, Reputation, Capacity and Resources	30
Technical	30

Financial and Value Added	40
Total	100

The criteria for evaluation of the Proposals may include, but is not limited to:

- Understanding of City’s Requirements and Objectives
- Equipment and Resources
- Risk factors
- Quality Assurance and Safety
- Departures listed

**Financial and Value Added**

- Financial offer
- Value Added / Sustainable benefits

These criteria will be used to determine best overall value to the City. Proposals will be compared to select one or more that are most advantageous.

And, upon selection of one or more lead Proponent(s):

- References may be contacted
- Interviews may be conducted

The City reserves the right to check references on other projects even if they are not specifically listed. Information obtained from references will be confidential and will not be disclosed to any Proponents.

These criteria will be used to determine best overall value to the City as well as any other criteria that may become evident during the evaluation process.

The City may, at its discretion, request clarification or additional information from a Proponent with respect to any Proposal and the City may make such requests to only selected Proponents. The City may consider such clarifications or additional information in evaluating a Proposal.

Incomplete Proposals or Proposals submitted on forms other than the Proposal Form may be rejected.

Proponents agree the City may disclose names of Proponents and total award amount, however, unevaluated results, unit prices, rates or scores will not be provided to any Proponents.

The City reserves the right to reject without further consideration any Proposal which in its opinion does not meet the criteria it considers essential for the work outlined in this RFP.

Where only one Proposal is received, the City may reject such and re-issue the RFP on a selected basis.

#### 1.10 Eligibility

For eligibility, and as a condition of award, the successful Proponent would be required to meet or provide the equivalent:
