Issue Date: February 19, 2021

(consists of 1 page)

Respondents shall note the following amendments to the RFEI documents:

QUESTIONS AND CLARIFICATIONS

Q1) Are you open to having more than one supplier? We specialize in Corporate Branded Apparel but not promotion items.

A1) The City would prefer to award to one vendor, but will consider multiple vendors, based on the information received.

Q2) We would be happy to provide information in response to this RFEI, do you have any additional information that would help us give you the best possible pricing/quality? I'm looking for quantities and the type of apparel you would like decorated as well as the logo/design that would be imprinted or embroidered onto these items.

A2) Refer to Section 1.2 and 1.3 of the RFEI. 1.2 states how much is spent annually. 1.3 states the range of items the City is seeking. Quantities will vary by order.
