Clarification/Information

1. **As built record drawings** for existing City utilities can be accessed through City of Coquitlam online interactive map - QtheMap. Go to QtheMap by visiting Coquitlam.ca/QtheMap and then click “Explore QtheMap”
2. Refer to Instructions to Tenderers (Page IT 8), Clause 9.2, which is reproduced for information:

HDPE PIPE SUPPLY BY OWNER

The Owner has pre-ordered the HDPE pipe only, not including fittings, to address lead time on pipe materials. Once the pipe has arrived at the supplier's yard, the Contractor will assume all responsibility for pipe delivery to site, handling, protecting, fusing, stockpiling and security of the pipe on site, and all other works incidental to pipe supply and installation. The Owner transfers all risk of pipe delivery, scheduling etc. to the Contractor once the Contract between the Contractor and Owner is in place and the pipe has been delivered to the Suppliers yard.

3. Refer to Supplementary General Conditions (Page SGC 5), Clause 4.11.2 which is reproduced for information:

The contractor's horizontal directional drilling sub-contractor shall only be selected from the below prequalified list.
