- Signs may be posted for a maximum of 6 weeks;
- Signs must include contact information for the community user group (including name, address of group office and phone number). This may be placed on the back side of the sign;
- Signs must not exceed 4' by 8' and their placement must not obstruct sidewalks or traffic sightlines or otherwise present a safety concern;
- Any damage sustained to City property as a result of the placement or removal of the sign must be repaired immediately at the sole cost of the community user group; and
