Disclaimer of responsibility:
This map is produced as a guide to cycling in the Tri-Cities. While the information is correct at the time of printing, it is subject to change. The cities of Coquitlam, Port Moody and Port Coquitlam, as well as their employees, officers, directors and representatives, do not guarantee the accuracy of the information contained therein nor warrant the safety of any route, highway, road, street, designated parking space or other shown in the map or information. This map, published in October 2017, was adapted from the 2016 edition of TransLink’s Tri-Cities Cycling Map. Cycling route information has only been updated in Coquitlam, Port Coquitlam and Port Moody. Routes outside the Tri-Cities region are based on the 2016 TransLink map.

Ride Safety
Be familiar with these basic rules so everyone can enjoy their trips and get to their destinations safely.
- Wear a helmet.
- Bicycles must have a warning bell.
- Do not ride on a sidewalk except where permitted.
- Do not wear headphones while cycling.
- Yield to pedestrians.
- Always ride on the same side of the street and in the same direction as motor vehicles.
- Always shoulder check when making a turn or changing lanes; use a hand signal to indicate your turn direction.

All users of the road and pathways should learn these symbols and signs:
- BIKE ROUTE – Indicates that you are on a biking route.
- BIKE ROUTE DIRECTIONAL – Shows bike routes and directional arrows that indicate route options for cyclists.
- CROSSE BICYCLE SYMBOL – (Elephant's feet) indicates crossings where cyclists are permitted to ride. Crossbikes may or may not be exclusive to cyclists; often they are shared with pedestrians.
- DEDICATED BICYCLE LANE – Motor vehicles, buses and motorcycles are not permitted to travel or stop in this lane unless making a right turn onto a cross street. Transit buses may stop at designated stops.
- SHARED ROADCWAYs – Indicates where cyclists should position themselves while sharing the roadway with other vehicles.
- MULTI-USE PATHWAY – Shared path with pedestrians. Cyclists must yield to pedestrians.
