Nematode Treatment Details

General location of the nematode treatment at the property (e.g. front yard, boulevard, etc):

Approximate area of lawn treated with nematodes (in square feet):

Date of nematode treatment application: (nematode treatments are most effective when applied between late July and mid-August.)

Permits will be emailed by default. Please check the box below if you wish to pick up your permit in person:

- Pick up in person at Engineering Customer Service, City Hall (you will receive email notification when the permit is ready for pick up).

Reminders:

- Your nematode water exemption permit applies only to the area(s) on your property receiving nematode treatment.
- Upon receiving your nematode water exemption permit, the permit must be displayed at the front of the property and visible from the curb and/or sidewalk.
- **All permits will be void in Stage 4 Restrictions.**
- If there are any questions regarding your application, you can email waterconservation@coquitlam.ca or call Engineering Customer Service at 604-927-3500.
- For more information on how to properly apply a nematode treatment, please visit coquitlam.ca/chaferbeetle.
