

Drop-In Fitness Sign-In Process

Are You Attending a Drop-In Fitness Class?

Be sure to get a Class Card before going in!

How to get a Class Card

1. Swipe your **ONE PASS** or pay the drop-in fee
2. Inform our customer service clerk which class you will be attending
3. Our customer service clerk will hand you a Drop-In Fitness Class Card. Class cards are available for pick up 30 minutes prior to fitness classes.
4. Hand the card to your instructor at the start of class

Why Do I Have To Pick Up A Drop-In Fitness Class Card?

To make sure you've got a spot in our drop-in fitness class!

As much as we would love to be able to accommodate each and every participant that wants to attend our drop-in fitness classes, we have maximum participation numbers for each class. This helps to keep our classes safe, and ensures you get the best possible instruction. The cards help us to keep track of when the classes are full, so we can let you know before you go in.

Questions?

Just ask our fitness staff or customer service clerks.
