# DROP-IN FITNESS CLASS DESCRIPTIONS

All fitness classes are for 13 yrs +, unless otherwise noted. Teens 13 – 15 yrs MUST complete a fitness orientation prior to working out.

Use your **ONE PASS** to drop-in to these fitness classes. Schedules available online at [coquitlam.ca/fitness](http://coquitlam.ca/fitness) and in facilities. More drop-ins available this season than ever before!

## AQUA FIT

### Adaptive Aqua Motion

An exercise program designed for individuals looking to increase their functional abilities. Participants are encouraged to bring an attendant.

### AquaFit

A low impact, shallow water based aquatic workout enhancing muscle tone, balance and strength with an emphasis on cardio.

### AquaFit Plus

An enhanced version of AquaFit with cardio-based intervals to take the intensity up. Enjoy all the benefits of the water and push harder in this 60 minute class.

### Aqua Boot Camp

High energy aquatic based boot camp with a mixture of intervals and high intensity movements utilizing 360 degree resistance without the impact of land!

### Deep Water AquaFit

A vigorous cardio based workout with the use of a buoyancy belt, maximizing full resistance of the water in a variety of movement patterns. Participants must be comfortable in deep water.

### Gentle AquaFit

A lighter version of Aquafit for individuals looking to increase mobility, muscular and/or cardiovascular strength.

### Water Works

Developed by the Arthritis Society for those with limited mobility and/or joint pain.

### Water Running

The total body burn! A full-body intense workout in a weightless environment. Challenge your cardiovascular fitness and improve strength and flexibility without the impact.

## CARDIO/STRENGTH

### Cardio Core Conditioning

Get your heart rate up and sweat pumping while targeting the core.

### Fit 360°

Your complete 360 degree fitness class incorporates a full-body workout. Expect a diverse experience utilizing a variety of equipment with high energy cardio routines.

### Low Impact

A complete body workout focusing on low impact movement patterns aimed to increase cardiovascular and strength endurance.

### NRG Circuit

Intervals are used to boost your energy (NRG)! This circuit style class combines cardio, balance, core and strength training in a well-paced environment.

### POUND®

Cardio with drumming! Holding lightly weighted drumsticks you will challenge your body with athletic movements all choreographed to the beat. This class is rebellious, loud and energetic

### Step

A classic! All the choreographed patterns with the use of a step platform for the ultimate cardio experience.

### STRONG by Zumba®

Looking for a high intensity boot camp class! think squats, burpees, lunges all to the beat of DJ inspired music.

### Tabata Training

Maximize your results with the Tabata style training approach. Think all-out effort followed by active rest to jumpstart your caloric burn and intensify your training experience.

## CYCLE

### Cycle Fit

Saddle up! Our instructors will take you on a ride with intense drills which may include tabata, visualizations, hills and sprints. Cycle fit is always low impact with maximum benefits!

### Cycle Fit: Beginner

Break into the world of group cycle! A slower paced class incorporating all elements of Cycle Fit building your technique for the perfect ride.

### Cycle & Sculpt

The best of both worlds! A great cardiovascular workout followed by resistance training off the bike.

## DANCE

### Belly Dance

Explore this ancient art form of core conditioning. This class provides a creative way to be physically active with emphasis on movements of the torso.

### Cardio Funk

Break it down with hip hop dance inspired cardio! This feel-good class will bring you a taste of funk with tracks from then and now. No dance experience needed.

### Dance4One

All genres dance and music inspired workout to upbeat Latin, Ballroom classics and popular tunes. Beginner and intermediate levels available.

### Zumba®

Ditch the workout, Join the Party! International rhythms and easy-to-follow moves create a one-of-a-kind fitness experience for the dance lover.

### Zumba® Boot Camp

Start with half hour of Zumba routines, followed by boot camp and core style exercises, for the best of both worlds.

### Zumba® Step

Take your Zumba experience to the next level with the added challenge of a step platform!

# DROP-IN FITNESS CLASS DESCRIPTIONS

All fitness classes are for 13 yrs +, unless otherwise noted. Teens 13 – 15 yrs MUST complete a fitness orientation prior to working out.

Use your **ONE PASS** to drop-in to these fitness classes. Schedules available online at [coquitlam.ca/fitness](http://coquitlam.ca/fitness) and in facilities. More drop-ins available this season than ever before!

## STRENGTH/RESISTANCE

### B.A.R.E. Conditioning

#### Body Weight. Athletics. Resistance. Endurance Training.

We are equipped for high intensity fitness right here, right now! B.A.R.E brings fitness back to the basics with strength and conditioning using our own body weight. Build and tone a strong body with foundational movements that can be done in a variety of environments with minimal equipment. Sweat, squat, lunge and climb your way to a stronger you!

### Body Toning

Full body workout, adaptive training to develop core strength, balance and endurance, ending with a complete stretch

### HIIT Boot Camp

Full body workout in a classic boot camp format with power and plyometric movements. Brace yourself for an intense train!

### Boot Camp: Foundations

A mix of dynamic, multi-muscle compound movements in a boot camp style format for a full-body workout.

### TRX Boot Camp

TRX is a suspension training system developed to tone and strengthen all major muscles. This class will flow through boot camp style movements and conditioning on the suspension trainers. Limited space.

## SPECIALTY CLASSES

### Essentrics

A combination of Tai Chi, ballet and the healing principles of physiotherapy in a full body workout. Suitable for all ages and abilities with a few easy modifications.

### Gentle Impact 4 Healthy Bones

Improve strength, posture, balance and agility through the use of functional exercises, resistance training and appropriate stretches. Great for those with osteoporosis.

### Jointworks

Developed by the Arthritis Society, strive to mobilize, strengthen and increase your fitness level. Choose to stand or sit during this exercise class.

### Meditation Practice

A short meditation to compliment your yoga practice.

### Tai Chi/Qigong

This gentle class focuses on flowing movements performed in a slow, focused manner and accompanies deep breathing. Tai Chi cultivates life energy within us and encourages powerful purposeful movement.

## YOGA/PILATES/STRETCH

### Pilates

Stretch your entire body using specific movements with emphasis on strengthening the muscles of the core in a low impact environment.

### Pilates Challenge

Elevate your Pilates experience to the ultimate body sculpting workout. Some Pilates experience in necessary for proper muscle engagement and body alignment.

### Yoga 4 Health

For those who are familiar with the progressions of basic hatha postures and are looking to deepen their practice.

### Yoga: Deep Stretch Yin

A slower paced yoga class suitable for everyone. Postures are held for a longer period of time to target deep connective tissues in the body.

### Yoga: Family (7 yrs +)

Increase your flexibility and balance with your family! Together you will learn primary yoga poses in a fun, friendly environment.

### Yoga: Fusion

Stabilize, mobilize and increase mind body connection through a combination of yoga postures and core based exercises.

### Yoga: Hatha

Experience the power, peace and strength of yoga to harmonize your mind, body and spirit. This class focuses on classic yoga postures.

### Yoga: Hatha Beginner

A great place to start your yoga practice and experience benefits of stress relief, strength and flexibility. Classic poses are taught with modifications as needed.
