

INVITATION TO TENDER

Yellowridge has the following project in our office for pricing:

COVERED DRY FLOOR FACILITY Tender #14-06-02 COQUITLAM, B.C.

630 Poirier Street

Owner: The City of Coquitlam

Architect: CEI Architecture

Tender Documents are available online through the Construction Association at the following link:

<http://www.bidcentral.ca>

As a convenience to our trades the Tender Documents and Addenda can be emailed to Bidders upon request.
It is the Bidders sole responsibility to verify and check for any Addenda through the Construction Manager.

Project Details:

Yellowridge Construction Ltd. is Construction Manager for the Owner. The project generally consists of the construction of a new 120' x 195' Covered Sports Facility. The structure is non-cumbustible construction consisting of a Slab on Grade foundation and a Pre-Engineered Sprung Structures building.

The primary trade scopes include siteworks, foundation works, interior fitouts, and mechanical and electrical systems. The building will be sprinkered.

Exterior works include landscaping, sidewalks, and passenger drop off revisions, complete with a storm retention swale.

Total building area is approximately 2180 m2.

CLOSING:

JUNE 26, 2014 at 2:00 p.m.
