1. INSTRUCTIONS TO PROPONENTS

1.1. Request for Proposals

The City of Coquitlam (“City”) requests proposals from professional, qualified and experienced Contractors for Utility Construction Services on an “as needed and when requested” basis. Utility Construction Services may include, but are not limited to:

- Water main repairs;
- Sanitation main repairs;
- Storm main repairs;
- Service repairs;
- Service installations;
- Service cap offs (temporary and permanent);
- Restoration work (concrete, asphalt, and landscaping); and
- City of Coquitlam documentation is also a requirement of the Contractor (Service Utility Connections Cards)

1.2. Term of Contract

The initial term of the contract will be for three (3) years starting on January 1, 2015 until December 31, 2017. Upon mutual agreement, the contract may be extended for two (2) or more additional one (1) year terms.

1.3. Closing Date & Time

Proposals will be received by the City of Coquitlam on or before 2:00 pm local time:

Tuesday, October 28, 2014

1.4. Instructions for Proposal Submission

Proposal submissions are to be uploaded through Qfile, the City’s file transfer service accessed at website:

<http://qfile.coquitlam.ca/bid>

1. in the “Subject” field enter: RFP Number and Name
2. Add files in .pdf format and ‘Send’
(Ensure your web browser remains open until you receive 2 emails from Qfile to confirm upload is complete.)

Proposals submitted shall be deemed to be successfully received when displayed as new email in the in-box of the City email address. The City will not be liable for any delay for any reason including technological delays, or issues by either party’s network or email

program, and the City will not be liable for any damages associated with Proposals not received.

The City reserves the right to accept Proposals received after the closing date and time but is under no obligation to evaluate.

Proposals will not be opened in public.

Proposals may be withdrawn upon request by an authorized representative of the company sent to email: bid@coquitlam.ca prior to time set as closing time for receiving Proposals.

1.5. Inquiries

All inquiries are to be directed in writing by email quoting the RFP name and number to: bid@coquitlam.ca

Questions are to be submitted in writing within 3 business days prior to the closing date.

The City shall determine, at its sole discretion, whether the query requires response, and such responses will be made available to all Proponents by issue of Addenda posted on the City's website that will be incorporated into and become part of the RFP.

No oral conversation will affect or modify the terms of this RFP or may be relied upon by the Proponent.

1.6. Addenda

Proponents are required to check the City's website for any updated information and Addenda issued before the Closing Date at the following website address: www.coquitlam.ca/BidOpportunities

If a change, or additional information related to the original version of the Request for Proposals is warranted, the City's response will be communicated to all Proponents by means of written Addenda prior to the closing date and posted on the City's website. Upon submitting a Proposal, Proponents are deemed to have received all Addenda posted on the City website and deemed to have considered the information for inclusion in the Proposal submitted.

Should there be any discrepancy in the documentation provided, the City's original file copy shall prevail.

1.7. General Information

Wherever possible, the Cities wish to purchase goods and services which represent minimal impact to the environment, or that offer value to a sustainability objective.

The Cities reserves the right to cancel any order or contract if not fulfilled within a reasonable time and in accordance with the terms and conditions specified at their sole discretion. Time shall be of the essence.

The City will not assume any responsibility or liability for any costs incurred by the Proponent in the preparation of a Proposal.

1.8. Privacy

Proponents are advised that submissions are subject to the Freedom of Information and Protection of Privacy Act and contents may be disclosed if required to do so pursuant to the Act.

1.9. Prices

All Prices shall be in Canadian Funds and shall remain **FIRM** for the initial three (3) year term.

1.10. Evaluation Criteria

The criteria for evaluation of the Proposals may include, but is not limited to:

Corporate Experience and Resources

- Qualifications, municipal utilities construction experience, and demonstrated performance providing services of similar size, scope and complexity
- Company equipment and resources

Technical

- Compliance to City Specifications and MMCD Specifications
- Response times and availability

Financial

- Rates including material markup rates
- Sustainable Value
- Value added Benefits

And, upon selection of one or more lead proponent(s):

- Interviews may be conducted
- references may be contacted

Upon submitting a Proposal, Proponents agree that the City may disclose their company name; however, no prices, scores, weights or totals will be provided to any Proponents.

At any time, the City reserves the right to sole source similar work with the successful Proponent or request quotes from other contractors.

1.11. Negotiation

The City reserves the right, prior to contract award, to negotiate changes to the scope of the services or to the contract documents (including pricing to meet budget) with the proponent or any one or more proponents, proposing the “best value” without having any duty to advise any other proponent or to allow them to vary their proposal as a result of changes to the scope of the services or to the contract documents; and the City may enter into a changed or different contract with the proponent(s) proposing the “best value”, without liability to proponents who are not awarded the contract.

1.12. Irrevocability and Acceptance of Proposals

The City requests that Proposals remain open for acceptance for a period of not less than sixty (60) days from the closing date and time.

The City reserves the right to waive formalities in, accept or reject any or all Proposals, cancel this RFP, or accept the Proposal deemed most favourable in the interest of the City.

The City reserves the right to accept or reject any or all Proposals. The lowest Proposal may not necessarily be accepted, rather will be analyzed to determine best overall value to the City.

The City reserves the right to cancel this RFP at any time without recourse by the Proponent. The City has the right to not award this work for any reason including choosing to complete the work with the City’s own forces.

No alterations, amendments or additional information will be accepted after the closing date and time unless invited by the City.

Should a Proposal be accepted, a purchase order will be placed for the provision of these services. Contract documents may be utilized to document the agreement fully and completely.

1.13. No Claim

Except as expressly and specifically permitted in these Instructions to Proponents, no Proponent shall have any claim for any compensation of any kind whatsoever, relating to this RFP, including accepting a non-compliant bid, and by submitting a Proposal, each Proponent shall be deemed to have agreed that it has no claim.

No contractual, tort, or other legal obligations are created or imposed on the City, or any other individual, officer or employee of the City with respect to the RFP documentation or by submission or consideration by the City of any Proposal.

1.14. Conflict of Interest

Proponents shall disclose any actual or potential conflicts of interest and existing business relationships it may have with the City, its elected or appointed officials or employees.

1.15. Non-Solicitation

Proponents and their agents will not contact any member of the City Council with respect to this RFP at any time prior to the award of a Contract or the termination of the RFP, and the City may reject the Proposal of any Proponent that makes any such contact.

1.16. Liability for Errors

While the City has used considerable effort to ensure an accurate representation of information in this RFP, the information contained is supplied solely as a guideline for Proponents. The information is not guaranteed or warranted to be accurate by the City, nor is it necessarily comprehensive or exhaustive. Nothing in this RFP is intended to relieve the Proponents from forming their own opinions and conclusions with respect to the work in this RFP.

1.17. Proposal Submission

Proponents should complete and submit the information requested in this section of the RFP document on this Proposal Submission Form or in a format that has been approved and is acceptable to the City.

1.18. Examination of Proposal Documents and Work Sites

The Proponent must carefully examine the Proposal Documents and worksite(s). The Proponent may not claim, after the submission of a Proposal, that there was any misunderstanding with respect to the requirements and conditions imposed by the City of Coquitlam.

There will be no opportunity to make any additional claim for compensation or invoice for additional charges that were not considered and included in the Proposal price submitted, unless the City, at its sole discretion, deems that it would be unreasonable to do so, or there are additional work requirements due to unforeseen circumstances.

All information in this RFP Document, Drawings, Specifications, Site Visit and Investigation, and any resulting Addenda will be incorporated into any Contract between the City and the successful Proponent, and therefore must be considered by the Proponent in preparing their Proposal.

2. GENERAL CONDITIONS OF CONTRACT

2.1. Notification of Award

The City will notify the successful Proponent (“Contractor”) in writing of its decision to award the services.

The following general conditions will apply to this Contract. Proponents are to include with their proposal submission a full description of any deviations if they are unable to comply with any of these general conditions.

2.2. Health and Safety Requirements

The Contractor shall strictly comply with the current Industrial Health and Safety regulations of WorkSafeBC and the safety policies/procedures of the City. Other applicable federal, provincial and local regulations and policies concerning the health and safety of workers and general public shall also be followed.

2.3. One Year Guarantee

The Contractor shall guarantee to maintain the work and materials against any defects arising from adverse weather conditions, faulty installation, and faulty materials supplied under the contract, or faulty workmanship, which may appear within one (1) year from the date of acceptance of the work by the City. Faulty or damaged materials shall be replaced, and any defects discovered or failures which occur during the guarantee period, shall be rectified to the satisfaction of the City on-site within 2 weeks of notification. This shall be at no cost to the City.

2.4. Indemnity

The Contractor shall indemnify and save harmless the City from and against all losses and all claims, demands, payments, suits, actions, recoveries, and judgements of every nature and description brought or recovered against him and/or the City, by reason of any act or omission of the Contractor, its agents, Sub-Contractors or employees in the execution of the work.

2.5. Insurance Requirements

The Contractor shall submit, upon award by each of the Cities, a Certificate of Insurance certifying that the required insurance policies are in force and that:

- a) **The City of Coquitlam** shall be named as “additional insured”;
- b) The policy shall not be cancelled, lapsed, transferred, assigned or materially altered without at least thirty (30) days written notice to the Cities and the City’s written approval of the cancellation, transfer, assignment or alteration.
- c) Such certificate is to be as shown in **Appendix A – Certificate of Insurance:**

The Contractor shall carry Commercial General Liability Insurance satisfactory to the City in the amount of **FIVE MILLION DOLLARS (\$5,000,000.)** inclusive per occurrence.

Automobile Liability insurance, in an amount of not less than **TWO MILLION DOLLARS (\$2,000,000.)** is required on all licensed vehicles owned or used by the Contractor.

Contractor’s Equipment Insurance is required for all equipment owned or rented by the Contractor and employees that provides coverage against all risks of loss or damage.

The Contractor shall ensure that all Sub-Contractors carry insurance in the form and limits specified in this clause.

2.6. Independent Contractor

The Contractor is an independent Contractor and this contract does not render the Contractor an agent or employee of the City.

2.7. Business Licence

The Contractor shall maintain a valid City Business License. For information, contact the City’s License Department (Tel: 604-927-3085) or website:
<http://www.coquitlam.ca/city-services/licenses-and-permits/business.aspx>

2.8. WorkSafeBC Coverage

The Contractor shall be in good standing with WorkSafeBC and provide a WorkSafeBC Registration Number.

The Contractor is responsible for having the site secured in accordance with WorkSafeBC regulations and to perform the work so that there is no risk of danger or hazard to the staff and public at any time during the progress of the work until completion.

2.9. Permits

The Contractor will provide and pay for all permits required to carry out the work.

2.10. Prime Contractor

The Contractor shall be deemed to be the “Prime Contractor” as defined by WorkSafeBC and be absolutely responsible for having the site secured in accordance with WorkSafeBC regulations. Refer to **Appendix B – Prime Contractor Designation**.

2.11. Clean Up

At the end of each day the Contractor shall ensure the site is safe and secure and, at the conclusion of work, the Contractor shall clean out all debris promptly remove any equipment or materials and leave the site of the work in a clean and tidy condition.

2.12. Operations and Coordination of the Services

The Contractor shall agree to coordinate the execution of the Services with the City such that disruption of the work of all involved is minimized.

2.13. Equipment, Materials and Workmanship

The Contractor shall ensure that they are qualified and experienced and have the necessary resources for the successful completion of the work including any amendments as they may occur during the execution of the work.

All equipment, materials and labour utilized and all workmanship shall comply with all current codes, standards, regulations and statutes pertaining to the services including, but not exclusively:

- a) WorkSafeBC
- b) Master Municipal Construction Document (MMCD) Specifications
- c) City of Coquitlam Supplemental Specifications and Drawings
- d) Canadian Standards Association (CSA)
- e) National Electrical Code
- f) BC Building Code
- g) BC Plumbing Code
- h) BC Provincial Motor Vehicle Act
- i) BC Ministry of Transportation and Infrastructure (standards for traffic control and work zone setup on roadways)
- j) Workplace Hazardous Material Information System (WHMIS)

Equipment must be in good mechanical repair and not require excessive maintenance or create excessive down time that jeopardizes the Contractors ability to provide the services agreed to.

2.14. Inspection of Services

- a) All services provided shall be subject to inspection and shall meet the approval of the City or a designated representative. If they are not approved, the City shall have the right to reject them or to require correction.
- b) Acceptance or rejection of the work shall be made as promptly as practical, but failure to accept or reject the work shall not relieve the Contractor from responsibility for services provided not in accordance with the contract.
- c) The City will not be deemed to have accepted the services by virtue of a partial or full payment for it.
- d) The City or a designated representative shall be the final judge of all services and its decisions of all questions in dispute will be final.
- e) The Contractor will not be liable for any excess costs if failure to perform is due to strike, lockout, or circumstances beyond control. The City will not be liable where sites are not available due to strike, lockout, or unique circumstances.

2.15. Damage and Defects

The Contractor shall use due care so that no persons are injured, or no property damaged or lost in providing the services. The Contractor shall be solely responsible for all loss, damages, costs and expenses in respect of any injury to persons, damage of property, or infringement of the rights of others incurred in the performance of the services or caused in any other manner whatsoever by the Contractor or its employees. The Contractor shall rectify any loss or damage for which, in the opinion of the City, the Contractor is responsible, at no charge to the City and to the satisfaction of the City.

Alternatively, the City may repair the loss or damage and the Contractor shall pay to the City the costs of repairing the loss or damage upon demand from the City. Where, in the opinion of the City, it is not practical or desirable to repair the loss or damage, the City may estimate the cost of the loss or damage and deduct such estimated amount from the amount owing to the Contractor.

2.16. Default

The City reserves the right, at its sole discretion, to immediately terminate the contract, in whole or in part, and utilize the services of any other Contractor, if the successful Contractor:

- Fails to make delivery of the services
- Fails to perform any provision of the contract within the time specified, or within a reasonable amount of time if no time is specified, as determined by the City
- Fails to meet the City's standard of expected and agreed level of service and performance
- Be adjudged bankrupt or makes general assignment for the benefit of creditors

2.17. Cancellation

The contract may be cancelled by the City for any reason without cause or penalty upon 30 days written notice.

The Contractor would be compensated for all work completed at the date of notification.

2.18. Confidentiality

Notwithstanding the provisions of the *Freedom of Information and Protection on Privacy Act*, confidential information of the City of Coquitlam or other named agencies herein, or its possessions which the Contractor now has or obtained through the course of their relationship with the City, must be held in confidence and shall not knowingly be divulged to anyone without the City's express written consent, except as follows:

- a) information which, at time of disclosure, had already been made public;
- b) information which, after disclosure, becomes public knowledge other than through the Proponents;
- c) information which the Proponents can clearly show was in their possession at the time of the disclosure and was not acquired, directly or indirectly, from any agency named herein; and
- d) information which corresponds to that furnished or made known to the Contractor by third parties as a matter of right.

The Contractor agrees to use its best efforts to prevent disclosure of such information by its employees.

Any obligations with respect to confidentiality of the City's business shall survive the award of the Services and after the Contract term.

2.19. Dispute Resolution

The parties will make reasonable efforts to resolve any dispute, claim or controversy arising out of this contract using the following dispute resolution procedures:

- a) Negotiation – the parties will make reasonable efforts to resolve any dispute by amicable negotiations and will provide frank, candid and timely disclosure of all relevant facts, information and documents to facilitate negotiations.
- b) Mediation – If all or any of a Dispute cannot be resolved by good faith negotiations within 30 days, either party may refer the matter to mediation. Within 10 days of delivery of notice, the parties will mutually appoint a mediator. If the parties fail to agree on the appointment of the mediator, then either party may apply to the BC International Commercial Arbitration Centre for appointment of a mediator. The parties will continue to negotiate in good faith to resolve the Dispute with the assistance of the mediator. The place of mediation will be Coquitlam, British Columbia. Each party will bear its own costs of participating in the mediation.
- c) Litigation – If within 90 days of the request of the mediation, the Dispute is not settled, or if the mediator advises that there is no reasonable possibility of the parties reaching a negotiated resolution, then either party may without further notice, commence litigation.

2.20. Advertisement

The Contractor shall not advertise its relationship with the City without prior written consent from the City.

2.21. Subletting

The Contractor will not, without the written consent of the City of Coquitlam, assign, and sublet or transfer any subsequent contract or any part thereof.

2.22. Law

The RFP and any resultant award shall be governed by and construed in accordance with the laws of the Province of British Columbia.

2.23. Non-exclusivity

The intent of the City is to have one service provider but the acceptance of any proposal, and upon award, does not entitle any Contractor to exclusive rights for the provision of the services.

2.24. Payments – Invoicing

- a) All invoices shall be submitted by email sent to: apinvoices@coquitlam.ca and include the City's Purchase Order number, job site address and project manager's name and will be submitted monthly or upon substantial completion.

- b) All invoices will detail separate labour and material charges. Original material costs are to be shown such that markup rates can be monitored. The City may request a copy of the materials suppliers invoice.
- c) The Contractor shall be paid net 30 days or best effort from receipt of invoice and acceptance of the goods and/or services, whichever is the later, unless alternate payment terms have been agreed to between the Contractor and the City.
- d) Invoices shall show the appropriate amounts for value added taxes.

2.25. Fuel Emissions Data

The Contractor shall report on the quantity of fuel (gasoline, diesel, natural gas, propane, and bio-fuel blends) used to operate vehicles, equipment and machinery as part of the delivery of the Services “in scope” on a mutually agreeable basis. Fuel consumption associated with the provision of these Services must be provided to the City relating to the Services provided in the previous period, in the following sample format.

| Sample Report: | |
|--------------------------|-------------------------------|
| P.O. Number | 567932 |
| Date Range | March 1 – September 15 |
| Gasoline (litres) | 1,200 |
| Diesel (litres) | 4,500 |
| Prorated Based on | Service hours |

Data provided should include the following information:

- Litres of fossil fuels consumed in relation to the service delivered under the Agreement in each vehicle class, and the fuel type, for the Goods and Services provided in the previous period.

The City can provide direction, if necessary, to calculate this information.

3. **SCOPE OF SERVICES**

3.1. Scope of Work

The City of Coquitlam requires **Utility Construction Services** (the “**Services**”) at various City locations on an “as needed and when required” basis and include, but are not limited to, the repairs of sanitary and storm sewer mains, installation of new, and capping of old services.

Services are to include provision of all plant, labour, equipment, tools and materials necessary to complete the work. Examples of the tools required are slab saws, plate tampers, jumping jacks, cut-off saws, small pumps, hoses and various hand tools necessary to perform the required work during a standard work day.

It is estimated that there will be 40 – 50 occasions for contracted services each year. This is an estimate only and is not a guaranteed commitment by the City.

Unless indicated otherwise, all services provided shall be in accordance with the conditions and specifications of the current version of the Master Municipal Construction Documents (MMCD) and/or the City of Coquitlam Supplementary Specifications, whichever is specified by the City at the time requested.

Routine Services may include but are not limited to:

- installation of storm, sanitary and/or water services from the main to the property line;
- repairs to storm, sanitary and/or water main failures;
- permanent caps of storm, sanitary and/or water services at the main;
- temporary caps of storm, sanitary and/or water services at the property line;
- restoration to private and public properties resulting from the work.

Any unexpected and unplanned work found necessary or discovered by the Contractor, requires the Contractor to advise the City. Upon request, the Contractor will submit a written quotation to the City. The repair work shall not proceed until approval has been provided by the City and a City Work Order number has been issued.

3.2. Utilities and Services

All utilities and/or other services required by the Contractor shall be the responsibility of the Contractor. With respect to existing site utilities and services, it is the responsibility of the Contractor to contact BC One-call to determine their exact location on the site.

3.3. Work Zones and Traffic Control

The Contractor shall at all times be responsible for maintaining safety zones around the worksite with safety barricades, signage, and lane closure permits when required.

The Contractor shall at all times keep the site secure, safe, clean and orderly as the *Work* allows, with the removal of trash and debris daily.

3.4. Rectify Damages

The Contractor shall make good any damage or spillage to adjacent buildings, areas, grounds, or vehicles at no cost to the City and leave the site in the same state as it was prior to commencement of the Work and to the satisfaction of the City. All Work shall be carried out so as to ensure the minimum interference with normal use of public spaces and facilities. The Contractor shall be responsible to pay the full cost of any repairs for all damage to curbs, pavement, existing structures, etc. if caused by the Contractor during the contract period.

Damage to landscape and infrastructure shall be reported promptly.

3.5. Rejected Work

Defective Work, whether the result of poor workmanship, use of defective products or damage through carelessness or other act or omission of the Contractor, shall be rectified at the Contractor's expense.

3.6. Quality of Work

All Work shall be performed by skilled persons including, if required, the abatement of hazardous materials in strict accordance with the applicable Municipal, Provincial, Federal and other laws, regulations, standards, codes, etc. All workmanship and materials will be subject at any time to the inspection and approval of the City.

The Contractor and persons hired by it to perform the Work shall at all times be properly attired and shall be courteous to the public and perform the work in a manner that minimizes any inconvenience or nuisance to the public.

3.7. Environmental Protection

The Contractor shall be responsible to take all necessary measures to comply with requirements of the Federal and Provincial Environmental Protection Agencies and Municipal Acts and Bylaws in respect to air, earth and water pollution.

3.8. Protection of the Public

The Contractor shall take adequate measures to protect the public, City staff, and all others on site from injury, damage, or other loss resulting from maintenance operations and related activities.

3.9. Hours of Work

The Contractor shall carry out all work in compliance with the City's Noise Bylaws.
